I acknowledge that though all precautions are taken to ensure participant safety, a wide variety of animals are sheltered at the GHS facility that are not trained by The Guelph Humane Society Incorporated. I am aware that animals are unpredictable and understand the risk for injuries such as bites and scratches possible when interacting with animals. I also acknowledge that The Guelph Humane Society Incorporated strongly recommends keeping current with my child's tetanus immunization, and to consult my physician about this and other concerns related to working with different species of animals.

It is up to the discretion of the Shelter Staff to remove my child at any time she feels my child has failed to respect the rules of the club and the safety of others.
