**Thank you for supporting the animals!**

Jackie and Baby Jack are have been surrendered to GHS for a 2nd time. The first time they were in our care Baby Jack was born to mother Jackie. This very friendly pair would like to stay together. They would also like a forever home.

**\*\*Still waiting\*\***

**Why do we need a cage sponsorship program?**

The Guelph Humane Society receives no government funding to assist the thousands of homeless and lost animals of Guelph and its surrounding areas.

Many of the animals we see are in need of medical care, grooming and socialization before they can go up for adoption. Some animals are in our care for weeks before a new home can be found.

By sponsoring a cage, you helps provide these necessities and bring comfort to a waiting pet.

## Cage Sponsorship Program

The Guelph Humane Society (GHS) is home to thousands of lost, homeless, or unwanted animals every year. You can help them by sponsoring a cage - temporary housing - they can call home until they are reunited with their owners, or new homes are found.

Cage sponsorship means that every animal in need can have a safe, clean environment with plenty of food, a warm blanket, and compassionate care.

You can bring hope to those who wait for loving arms to claim them as their own.

### Your donations mean the world to our animals.

By sponsoring a cage, you are showing the world that you care about animals in need. Every cage will have a plaque placed on the front displaying the name of the person or business that cared enough to help the animal it houses.

A great way to advertise your business!

### Why sponsor a cage?

Should you choose to sponsor a cage, you will be helping GHS provide food, medical attention and loving care for a pet housed at the shelter. Animals that are surrendered to GHS suddenly find themselves in unfamiliar surroundings, unsure of why they are in a shelter. A space to call their own with a blanket, toys, plenty of food and loving care is all we can offer them until a new family is found.

### A wonderful tribute gift!

Your assistance in making a cage 'a home' will be memorialized by a plaque on the cage announcing your generous support.

Providing a pet a place of refuge is an expression of love that will make a great gift for weddings, birthdays, retirements, or special anniversaries. Cage sponsorship is a wonderful way to celebrate a loved one.

### A great way to honour a beloved pet.

You know how much love a pet can give. Sponsoring a cage means you can give a pet a second chance and others will also have the opportunity to share the special bond that you have with your pet.

### Does sponsoring a cage help?

No one wants our furry friends to stay here for long. Adoption into a new, loving home is what we hope for each every pet. But, until that happens, GHS is the safest place they can be. Your sponsorship means we can make a cage a home by continuing to provide all the care that is needed for each and every pet that comes through our doors.

### How do I sponsor a cage?
